

Table of Agencies' Programs Eligible for a Transfer to the Institution's General Research Funds (GRF) Account or a Refund

NSERC and SSHRC only

The following table contains all of NSERC and SSHRC eligible programs, their Program ID code and a reference as to how grant residual balances* of expired, non-renewed or non-extended grants are to be managed through either an authorize transfer to the institution's GRF account or through a refund to the agency.

* A residual balance is an amount corresponding to 50% or less of the allocated grant.

Note:

For more information on what constitute a residual balance and conditions required for transferring unspent funds to your institution's GRF account please refer to: [Residual Balance](#), and for more guidelines on the institution's GRF please refer to: [Guidelines for the General Research Fund \(NSERC and SSHRC only\)](#).
