

Collaborative Research and Development Grant (CRD) Final Report Consent Form

This form is intended to assist applicants submitting final reports to NSERC on Collaborative Research and Development (CRD) grants to obtain the consent of their team members to the provision of limited personal information to NSERC. By asking applicants to provide details on the scientific contributions of individual team members, NSERC is collecting “personal information” about team members indirectly. In accordance with the *Privacy Act* requirement for fair information practices, NSERC requires applicants to ensure that this information is submitted only with the knowledge and consent of the team members.

Consent Form

Name of Team Member	Role
Applicant Information	
Name	
Organization	Department
I consent to allow the applicant above to include limited personal data about me in report(s) submitted to NSERC related to his/her NSERC grant. This data will include only my name, my role and a description of my contribution to the project. I understand that NSERC will use this information only for program evaluation and to generate statistics, and that this information will be protected in accordance with the <i>Privacy Act</i> .	
Team Member Signature	Date
Note: This form must be retained by the applicant and made available to NSERC upon request.	

PROTECTED WHEN COMPLETED
