

Award Details

Electrophoresis in nanosclae confinded-geometries

Research Details			
Competition Year:	2005	Fiscal Year:	2005-2006
Project Lead Name:	Das, Prodip	Institution:	University of Waterloo
Department:	Mechanical Engineering	Province:	Ontario
Award Amount:	35,000	Installment:	
Program:	Alexander Graham Bell Canada Graduate Scholarships - Doctoral	Selection Committee:	S&F Selection for Committee Engineering
Research Subject:	Mechanical engineering	Area of Application:	Not available
Co-Researchers:	No Co-Researcher	Partners:	No Partners

Award Summary

No summary - Aucun sommaire
